Experience

1984 - Present **Certified Forensic Psychophysiological Detection of Deception Examiner**

Conducted over 9,000 exams of all types for attorneys, corporations, public defenders, therapists, and federal, county and local government agencies since achieving certification. Experience includes over 350 appearances for national and international media as a polygraph expert and consultant. Have published two textbooks on polygraph (see Publications below). Have tested in connection with the Columbine High School shootings, the Joanne Katrinak murder, the Robert Chambers "Preppie Murder" case, and the Mike Tyson rape case. Currently using Lafayette LX4000 digital equipment with countermeasures identification hardware.

1980 - 2003 **Licensed Private Detective / Investigator**

After 23 years, retired from operation and ownership of Priority Investigations, a licensed detective agency operating in NJ, NY and PA. Have conducted thousands of investigations for attorneys, private industry, individuals and government agencies relating to virtually every aspect of the field. Served as officer of two state-level P.I. organizations.

1985 - 1987 **Instructor in Private Investigations**

Served as instructor of Private Investigation at the Superior Career Institute (NY, NY) teaching investigative methods and techniques, applicable laws and regulations and the foundations of building a PI business. Held New York State teacher's certificate.
