**RESEARCH PROJECTS**

The use of polygraph in the monitoring of high risk behaviors in sex offenders on Community Supervision. This was a Home Office Commissioned project, the first government funded, comprehensive polygraph trials conducted in the UK for assessing and supervising sexual offenders. Provided polygraph training for Home Office accredited training to enable UK based professionals to become qualified examiners in further post-conviction sex offender testing research.

Testing and evaluation of the use of polygraphs to combat violence against women. Grant awarded by the National Institute of Justice, Office of Justice Programs, U.S. Department of Justice. Provided polygraph examinations and expertise for this US Government research.
