

# CURRICULUM VITAE

**GPN Member Number: M-2002**

---

## Summary of Professional Experience

This examiner is an experienced security professional having served as a law enforcement officer for approximately 30 years. During his tenure in law enforcement, he served 25 years as an investigator. He entered the polygraph discipline in 2009 after completing 11 weeks of formal classroom training, followed by a two-week internship program and finally, a certification process, each of which he successfully completed.

---

## Polygraph Experience

### **2009 – Present: Certified Forensic Psychophysiological Detection of Deception Examiner**

Since achieving certification, he has administered more than 1500 exams for attorneys, private sector companies (security, insurance, financial lending institutions, hospitality, etc.), law enforcement, military, detention centres, and private individuals. The exams include murder, missing persons, major bank burglary, rape, and infidelity. He has testified in court concerning several of these criminal cases, and served as a polygraph facilitator for the Jamaica Constabulary Force in 2013. This examiner is also a member of GPN's Global Response Team. He uses only scientifically validated testing methods and scoring systems, and is presently using Lafayette LX-4000 digital equipment with countermeasures identification hardware.

---
