Employment History

Company : **Self-employed**
Date : **2020 - Currently**

Predominantly my duties include Pre employment exams, specific exams, as well as domestic examinations, which also include sexual cases. I do a lot traveling through SA, working specifically on mines, transport companies, big retail stores.

Company : **ACDC Dynamics**
Date : **2019 – 2020**

Employed at ACDC Dynamics as a **Risk Manager**. Predominantly my duties include Polygraph examinations on the current staff as well as new recruits country wide. I conduct Specific examinations, Screening examinations, as well as Pre Employment

closely with management regarding sensitive information and results. Interrogation/interview of candidates.

Company : **The Polygraph Centre**
Date : **2015 – 2019**

Employed at The Polygraph Centre, as a Forensic Psychophysiologicalist. I worked very closely with clients like Pick and Pay, Harmony Mine, Protea Coin, G4S, Hestony Transport, etc. Private consultations and examinations as well. The main areas of focus were basically the whole of the Free State, Northern Cape, Eastern Cape, and Lesotho. Liaising closely with clients, and building relationships on trust and quality of service.

Company : **Imperial/Tempest**
Date : **2009 – 2010**

In my position as Branch Manager, I was in charge of logistics, customer service (foreign and domestic) and personnel management.

Company : **ADT Security**
Date : **2002 - 2007**

Working for this international company I gained experience with client liaison and gained exceptional customer service skill. I worked with domestic and corporate clients as well as some embassies. I also gained experience in credit control, general management as well as planning and executing promotions. I also learned the importance of the correct tasking of orders for services.
