

GPN Member #0302

This Examiner is a decorated Airborne paratrooper, service 1973-1977. During his service, he suffered injuries to his right eye that caused him to have to wear an eyepatch. He was then transferred to military intelligence, where he graduated U.S. Army Intelligence Center School out of Fort Huachuca, Arizona in 1976 as an interrogator, later to be a polygraphist, graduating October of 1977.

This Examiner has been a competent and qualified nationally certified polygraph examiner for over 44 years. He is past president of the Idaho Polygraph Association and has been on the Board of the Northwest Polygraph Association. He is currently a member in good standing with the American Association of Police Polygraphists and Northwest Polygraph Association. He is a past 20 year member of the American Polygraph Association. He has been on the Sexual Offender Management Board for the County of Spokane, and Licensed Senior Polygraph Examiner for Sex Offenders in the state of Idaho. On January 21, 2021 Governor Little appointed and the Idaho Senate ratified this Examiner to the State Sex Offender Management Board. This Board supervises ALL Sex Offense certified Polygraph Examiners in Idaho..

This Examiner has conducted numerous investigations as a sheriff's deputy for the Kootenai County Sheriff's Office, Bonner County S.O. as both a street officer and field detective. He has also worked major crimes for the Federal Defender's Office and the City Public Defender's Office in Spokane over the past 30+ years.

This Examiner is court-qualified in federal, state, and local courts, and has testified as both a private investigator and public investigator/Polygraphist for the state and for private defense. He has been licensed and bonded since the mid-1980's and is currently in good standing with federal, state, and local officials.

This Examiner has been hired to do personal work for federal public defenders and has been personally employed by local prosecutors as well as federal prosecutors in their own personal matters. State judges have also employed him to handle their own personal private investigation matters. He has also been hired as a consultant for criminal movies and for criminal crime programs and has consulted on some of the most notorious cases in the pacific northwest over the past 30 years.

This Examiner has taught Polygraph of Sexual Offenders and been Tested and Certified Nationally on this subject since 1986 when Sex Offender Polygraph testing became a specialty. He also helped develop the National Standards for this specialty Thru the Lie Detection E52 A.S.T.M. committee.
