GPN Member #2604

SUMMARY

A proven security and law enforcement professional with an extensive polygraph and investigative background. Considered a Subject Matter Expert by United States Department of Defense Senior Polygraph Management. This multi-faceted skillset focuses on an empathetic communication and interviewing process. This enables clients to fully understand the polygraph process and assists the examiner in customizing the examination to the client's specific needs.

EDUCATION AND TRAINING

Mount Saint Mary's College; Bachelor of Arts, English
Montgomery County Police Academy; Police Entry Level Training
The George Washington University; Master of Arts, Criminal Justice/Special Studies
United States Department of Defense; Special Agent Certification
National Center for Credibility Assessment: Federal Polygraph Examiner Certification

EXPERIENCE

Special Agent/Polygraph Examiner, United States Department of Defense (TS/SCI Cleared)

Conducted over 1800 polygraph examinations. Served as Division Level Senior Manager, Trainer and Quality Assurance Lead.

Police Detective

Investigated crimes against children to include physical and sexual child abuse and neglect. Focused primarily on preferential offenders (pedophiles). Conducted investigations in all FBI designated Part 1 and Part 2 criminal offenses to include homicide, rape, robbery, assault, burglary, theft, suicide/suspicious death.
